Remember, Honor, Celebrate

Memorial Day pays tribute to those who have made the ultimate sacrifice while serving in the armed forces. There are many ways you can take part in honoring these heroes.

Explore their stories. Read a military memoir or watch a movie or documentary. You can listen to recordings of veterans' firsthand accounts online at StoryCorps.org.

Tune in to a TV tradition. On the night before Memorial Day, PBS stations broadcast the National Memorial Day Concert, an annual event that honors the fallen and their families with musical performances and personal stories.

Learn about your family's military heritage. Talk to family members who were in the military about their experiences. Ask about stories of past relatives who served.

Post a tribute. If you have a loved one who is a fallen hero, post a photo and story about them on social media.

Send a letter. Express your thanks in a note to currently deployed troops. Search online for one of many nonprofit groups that gather and distribute letters to men and women serving overseas.

Visit a memorial. Spend time at a local military monument or museum, or pay your respects at a veterans cemetery.

You can also make virtual visits to many war memorials.

Pause at 3 p.m. Stop and reflect during the National Moment of Remembrance, a one-minute pause observed at 3 p.m. local time on Memorial Day.

May Employee of the Month

Congratulations to our employee of the month Tasha Ballard. She works as a PCA in our Assisted Living Community. Tasha has been employed with us for 8 months. She enjoys providing care for our residents. Tasha is a mother of five girls. In her free time, she enjoys spending time with her family, shopping, reading, and writing poetry. She enjoys vacations in Mexico and Jamaica. She plans to go to Aruba in the future. Some of her favorite foods are baked spaghetti, macaroni and cheese, and sushi.

It's Strawberry Season

The first fruit to ripen in spring, fresh strawberries are a sweet favorite. The average person in America eats more than 3 pounds of them each year. But it only takes a few to get a taste of their benefits. One serving, about eight strawberries, packs more vitamin C than an orange.

Ready for Summer Fun

Prepare for summer fun before the season begins. Check that you have a supply of sunscreen and insect repellent as well as a good pair of sunglasses and a comfortable hat. To avoid a last-minute scramble, stock up or replace items now and put them in a bag that's ready to go on an adventure when you are.

Double the Hydration

Nutrition experts say you can double up your hydration by snacking on fresh produce. Eating fruits and veggies with a high water content, such as an apple or some carrot sticks, along with drinking H₂O can help you stay better hydrated.

Best Innings for a Break

Attending a baseball game this season? Here's a tip on when to take a break from the action: Instead of waiting until the seventh inning stretch, the fourth, fifth and sixth innings are better times to leave your seat. By then, all the players on your team's lineup will have been up to bat, and you won't miss the excitement of the game's last few innings.

It's BBQ Time!

We're firing up the grill and serving some of your summer favorites! Join us for a delicious cookout with all the fixin's. Check the calendar for details.

Bring Home the Berries

This time of year, you'll have your pick of strawberries. When you get them home, remove any overripe berries from the bunch and make sure the rest are dry. Keep the fruit in the fridge, and wait to rinse them and remove their stems until just before eating or using them in a recipe.
