SEPTEMBER 2022

A Note From Our Executive Director

Hello, everyone! September promises to be another great month at our community. Fall will be here soon, bringing cooler temperatures and the rich colors of falling leaves. Check out this month's calendar to see what activities we have planned. Our special event this month will be a wine and cheese tasting. We will have non-alcohol options as well for those that don't drink.

We also have a couple of fun trips scheduled. As always, please feel free to stop by my office at any time. Have a great September!

Sincerely,
Natalie Fox
Executive Director

Patriot Day

The nation's annual remembrance of 9/11, Patriot Day is also a National Day of Service. Since 2002, people across America pay tribute to the victims, survivors and heroes of Sept. 11 by volunteering in community service projects.

September Employee of the Month

Please congratulate our employee of the month, Tasha Ladd. She is a Server for our Dining area and has been working with us for 4 months. Tasha is a people person. She is very friendly and outgoing and enjoys helping our residents. In her free time, she enjoys relaxing at home, spending time with her sons, watching TV, and cleaning her home. She enjoys vacationing in Miami, Florida.

Change Is in the Air

For many, September has become the "other January," signaling a fresh start as summer winds down and fall arrives. The shift in nature can also inspire you to turn over a new leaf. Use the change in seasons to kick off a healthy habit or hobby or to switch up an aspect of your routine.

Pour a Cup and Chat With Us

Our Coffee Chats are the best way to start your day! Join your neighbors for a cup of joe and good conversation. We serve fresh coffee & pastries every Tuesday morning in the activity room at 10am.

Wild World: Red Panda

Only slightly bigger than a house cat, the red panda was once believed to be a relative of both the raccoon and the giant panda, but is now classified in its own scientific family. This cute critter is also known as the Firefox, thanks to its pointed ears, bushy tail and reddish-brown coat. Native to the Himalayas, red pandas spend most of their time in trees, feeding mainly on bamboo. The red panda is usually solitary and quiet, but it can communicate by making a birdlike twitter.

Farewell to Summer

Observed on the first Monday in September, Labor Day recognizes the achievements of American workers. Many people consider Labor Day the end of the summer season and organize cookouts and other outdoor events. The week of Labor Day also marks the start of the National Football League's regular season.
